### Job purpose and focus

The GCF wishes to appoint a Community Cricket Coach to support the implementation of its 2020-2024 Inspiring Gloucestershire Strategic Plan and to continue the great work that has already begun in this area.

This exciting role seeks an energetic and enthusiastic individual who has a passion for supporting and developing the game and working with multiple partners and organisations. The role combines coaching and development work and will be responsible for engaging people of all ages across Gloucestershire into becoming active members of cricket clubs and teams.

As part of the Development Team the appointed person will be expected to work across the following areas:

- Participation – provide opportunities for all players to be able to access cricket at a club or community environment
- School Engagement – work with schools to embed cricket within the schools sporting provision
- Community Engagement – support local communities to access cricket
- Competition – increase opportunities for inter/intra school cricket, developing new and relevant cricketing formats
