## Safeguarding Policy Statement

Gloucestershire Cricket is committed to ensuring all Children (i.e all persons under the age of 18 ) participating in cricket have a safe and positive experience.

We will do this by:

- Recognising all children participating in cricket (regardless of age, gender, race, religion, sexual orientation, ability or disability) have the right to have fun and be protected from harm in a safe environment.
- Ensuring individuals working within cricket at, or for, our club provide a welcoming, safe, and fun experience for children.
- Adopting and implementing the England and Wales Cricket Board (ECB) “Safe Hands – Cricket’s Policy for Safeguarding Children” and any future versions of this.
- Appointing a County Welfare Officer and ensuring they attend all current and future training modules required by the ECB.
- Ensuring all people who work in cricket at, or for, our club (such as staff, officials, volunteers, team managers, coaches and so on) have a responsibility for safeguarding children, and understand how the “Safe Hands Policy” applies to them.
- Ensuring all individuals working within cricket at, or for, the club are recruited and appointed in accordance with ECB guidelines and relevant legislation.
- Ensuring all individuals working within cricket at, or for, the club are provided with support, through education and training, so they are aware of, and can adhere to, good practice and Code of Conduct guidelines defined by the ECB and Gloucestershire Cricket.
- Ensuring the name and contact details of the County Welfare Officer is available:
  - As the first point of contact for parents, children and volunteers/staff within the county.
  - As a local source of procedural advice for the organisation and its committee.
  - As the main point of contact within the county for the ECB Safeguarding Team.
  - As the main point of contact within the county for relevant external agencies in connection with child safeguarding.
- Ensuring correct and comprehensive reporting procedures exist for raising and managing child safeguarding concerns.
- Providing an environment where the views of children, parents and volunteers are sought and welcomed on a range of issues. This will help us create an environment where people have the opportunity to voice any concerns (about possible suspected child abuse/neglect, and/or about poor practice) to the County Welfare Officer.
- Ensuring all suspicions concerns and allegations are taken seriously and dealt with swiftly and appropriately.
- Ensuring access to confidential information relating to child safeguarding matters is restricted to those who need to know in order to safeguard children – including the County Welfare Officer and the appropriate external authorities, such as the Local Authority Designated Officer (LADO), as specified within ECB child safeguarding procedures.
