Format	<i>8-a-side, 8 overs per innings</i>
Where	<i>Localised on entries</i>
Rounds	<i>Local & County</i>

~~Cricket is a summer sport~~

We want to provide cricket competitions throughout the whole academic year. Some will be localised for participation, others will progress to County + Regional finals. We want more students to access more matchplay!

These competitions have been amazing for our students. Seeing their enjoyment and improvement has been such a positive experience
