Never has there been a better time to work in the women and girls' game. In the ECB Strategy, Inspiring Generations, 'Transform Women's and Girls' Cricket' has been identified as one of the six priorities and it is the requirement of Counties to deliver significantly in this area.

In Gloucestershire we have a strong base in which to build from but there is still so much more that can be achieved. For this we are looking to appoint an outstanding individual to drive growth in this area through the delivery in schools, the support of local clubs and through wider community outreach programmes.

The newly recruited Development Officer will have an exciting opportunity to introduce and drive aspects of the new 'Inspiring Gloucestershire' strategy. Specifically, the successful candidate will be responsible for the following areas of the game:

- Support the Head of Women & Girls' to Increase the number of clubs with Women's and/or Girls' sections.
- Enhance the delivery to girls in schools, both Primary and Secondary.
- Maximise the girls only opportunities at cricket clubs through the All Stars and Dynamos Cricket programmes.
- Maintain and develop existing year-round Women's and Girls' playing offers.

The Gloucestershire Cricket Foundation seeks to employ a highly motivated and competent Development Officer that will work within the Cricket Development team.
